

## BS IN NURSING COURSE REQUIREMENTS

This is the suggested plan of study to graduate in four years with a Bachelor of Science in Nursing. This plan assumes you have not satisfied the foreign language requirement (three years of foreign language in high school).

Prior to admission in the Nursing program, students must meet the [program's prerequisite requirements](#) with a C grade or higher and have no more than 7 outstanding required [general education](#) credits left to complete prior to admission.

Please [consult the online course catalog](#) for detailed course descriptions.
